Meet Roy!

Sales Productivity Fundamentals

The Situation

Roy has grown his customer base but is drowning in spreadsheets, sticky notes, and a cluttered inbox. Between juggling contact info across systems, manually scheduling meetings, and tracking who needs follow-up when, he's spending more time on admin work than actually selling.

Key Features

- Managing contacts, CRM and navigation [[Starter](#)]
- Sales Workspace [[Pro](#)]
- Meetings Assistant [[Pro](#)]
- Chrome and Gmail Extension [[Free](#)]

Smarter Prospecting & Prioritization

The Situation

Roy's pipeline is growing, but he's wasting time chasing cold leads while hot prospects slip through the cracks. Without a system to nurture relationships at scale or identify his best opportunities, he's working harder, not smarter - and leaving money on the table.

Close More Deals

Smarter Deal Management

The Situation

Roy's prospecting efforts are working - leads are converting to opportunities. But now he's juggling multiple deals at different stages, struggling to remember what was discussed in each call, and worried about which deals might slip. He needs visibility and structure to move deals forward confidently.

Close Deals Faster

The Situation

Roy's deals are progressing, but he knows the difference between a good quarter and a great one is velocity. With buyers expecting instant responses, personalized insights, and a smooth buying experience, Roy needs tools that help him be everywhere at once while maintaining that personal touch.

Key Features

- Customer Agent [Pro]
- Deal Scoring [Pro]
- Conversational Intelligence [Pro]
