

B2B IS HUMAN

Stop blending in with boring corporate noise. Refresh your organic presence with approachable, playful design that sparks real connection and elevates brand sentiment.

CONTRAST ~~CONTROLS~~ ATTENTION

Never rely on color alone to convey your meaning. Use high contrast moments to intentionally guide the viewer toward critical information.

MOBILE DICTATES FORM

Design for the swipe. Prioritize bold visuals and high contrast for maximum impact and never violate the safe area margins.

BAN THE

MONOTOMY

Gradients add depth and modern texture. Intermix these
Intermix these dynamic moments with solid back to break
to break visual fatigue and keep the narrative engaging.

**STOP SELLING.
START CONNECTING.**

Your content must remain purposeful. Highlight growth, learning, and human connection above all else.
