42.1% CAGR

Interior & Real Estate

\$1.6B Market size in 2023
32.6% CAGR

New Generation **AI Digital Twin** Platform

Create 3D plans of your space **in minutes**

Collaborate with multiple stakeholders for **full visibility**

Communicate your operations to **optimize for cost and time**

Using **only a phone** to create a twin

Digitize a Space only
from video + floorplans

3D Automation

- Draw to 3D
- Image & Video to 3D
- Prompt to 3D
- Generate 3D designs & Walkthroughs in minutes

We add **Interactions & Automation**

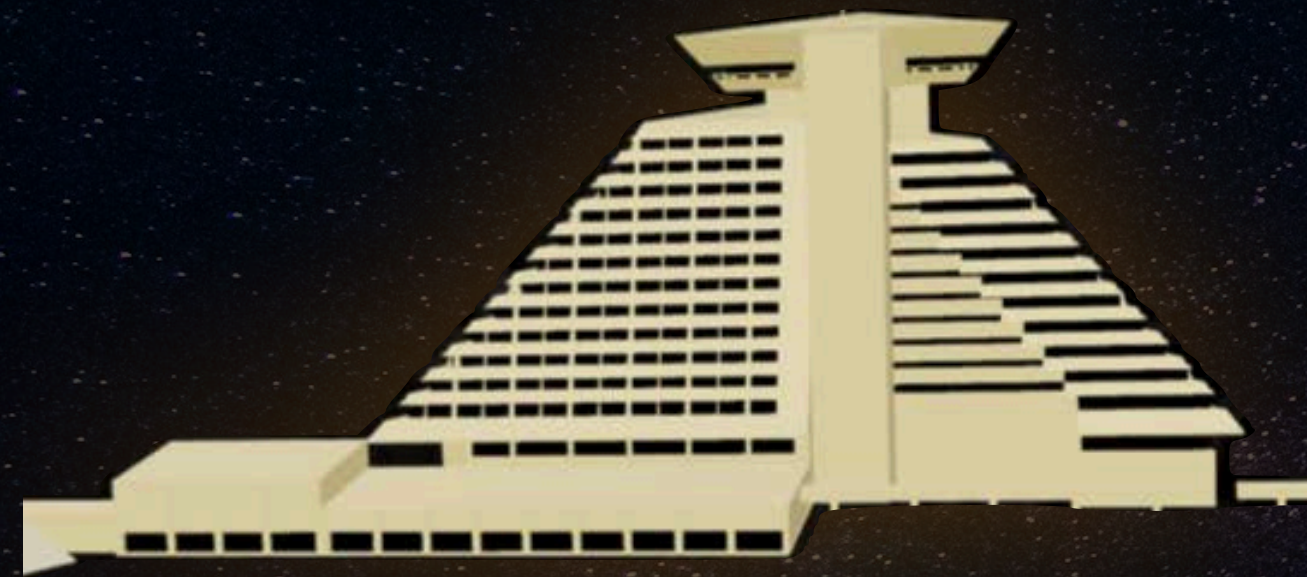

Collaboration

- Track changes
- Comment and Tag in 3D
- Up to 64 users
- Share with different access levels

Visualization

- AI Compliance Checks
- 3 different POV
- Real time updates
- Connect with sensors to extract spatial data

Fastest and easiest to deploy

SET UP
